Summer Courses

Unless noted otherwise, Tufts summer courses award one Tufts course credit, which equals four semester hours at other institutions. If you plan to transfer Tufts credit to a degree program at your home institution, you should check with your institution for approval prior to registering.

The following is a guide to Tufts University Summer Session undergraduate and graduate course numbers:

- **0 - 99:** strictly undergraduate
- **100 - 199:** undergraduate or graduate
- **200 & up:** strictly graduate

If you have any specific questions regarding the type of credit you will receive for a particular course, please contact the sponsoring academic department for more information.
